UKFT represents designers and manufacturers of menswear, womenswear, childrenswear, lingerie, accessories, footwear and textiles. We promote exports, help with skills and training, and if you are a buyer or an agent we can put you in touch with UK companies offering great products. The UK Fashion & Textile Association (UKFT) is a private trade association set up by the industry for the industry. We work closely with UK Trade & Investment (part of the British Government) to lobby for and deliver export funding and support to British exporters but we are a totally independent and self-financing organisation. We work with designers, manufacturers and retailers and are the most inclusive British Fashion & Textiles network.

UK Fashion Association (UKFTA), Association pour la promotion de l'habillement et du textile, rassemble les créateurs et fabricants britanniques de prêt-à-porter masculin et féminin, de mode enfantine, de lingerie, d'accessoires, de chaussures et de textile. Le rôle de UKFTA est à la fois de promouvoir les entreprises du secteur sur les marchés internationaux et de les accompagner dans leur démarche à l'export. Que vous soyez acheteur ou agent, UKFTA est à votre disposition pour trouver de nouveaux partenaires et vous présenter les meilleures collections britanniques.
