

EXPORTING IS GREAT

BRITAIN & NORTHERN IRELAND

Northern Powerhouse Export Taster Visit to the Netherlands 14th to 17th March

Join the Department for International Trade (DIT) for this Northern Powerhouse Export Taster Visit to the Netherlands and make your first steps into exporting. Export Taster Visits are great for businesses with little to no experience in export.

DIT invites businesses in the consumer products, retail, food and drink sector across the Northern Powerhouse region to join us on this visit to the Netherlands.

Spanning the North of England, including the cities of Manchester, Leeds, Liverpool Newcastle and Sheffield, the Northern Powerhouse is united in delivering a wealth of world-class expertise and business talent.

This Export taster visit is one of the many initiatives that encourages growth across the Northern Powerhouse region.

The visit will commence on 14th March 2017, traveling with P & O Ferries from Hull, arriving in the morning of Wednesday 15th March in Amsterdam.

We will take businesses to Den Haag and Amsterdam, helping them to gain experience in an overseas market.

What's on offer?

- Market briefing on the Ferry
- Introduction at the British Embassy in Den Haag
- Guided Store Visits
- Meet the buyer event
- Networking reception
- Guidance from an experienced International Trade Adviser

Join us now and discover the benefits of exporting. The opportunities are out there, you should be too.
