

SUNDAY 1ST AUGUST 2021

EMIRATES STADIUM

12.15PM **ARSENAL WOMEN FC** v **CHELSEA FC WOMEN**

3.00PM **ARSENAL** v **CHELSEA**

The following information provides a guide for local residents ahead of the forthcoming event at Emirates Stadium. There will be road closures and parking restrictions; certain roads around the stadium will be closed to drivers.

The police will monitor the crowds and take the decision on which roads to close on the day.

LOCAL TRAFFIC ROAD CLOSURES

As with all matches at Emirates Stadium, traffic management measures will be put in place for Sunday's event. These measures are needed to make the area safe for pedestrians and allow emergency access to the stadium and the local area. Before and after all matches, access will be limited to residents and businesses with special pink access permits on display.

Operational details for Sunday 1st August are set out in the map below and further information is available at www.arsenal.com/the-club/local-residents-news or www.islington.gov.uk/arsenal.

The following plans represent the maximum amount of time road closures will be in place. Circumstances allowing, we will work hard to open roads surrounding Emirates Stadium earlier where possible.

BEFORE the match

Phase 1

Starts 2 hours before match start time and ends 1 hour before match start time.

Key

- Emergency access only
- Access for pink permit holders
- Access for stadium parking
- Parking suspensions
- Pink permit holders
